QLC, INC.

QLC. The cost-effective solution that's on time, every time.

Now there's a way to get your contract labeling jobs done faster, easier, and more affordably than before.

A leading supplier of pressure sensitive labeling equipment and systems, QLC also offers in-house contract labeling. We provide cost-effective, timely solutions tailored to your specific product or application. We offer a variety of labeling capabilities, ranging from standard product labeling to specialty labeling, on assorted container shapes and sizes. Small or large, simple or complex—your project is labeled accurately, consistently, and on time. Every time.
